

IF YOU COULD CHANGE....!

If you could change a little this way and change a little that.
I would be so happy and maybe not so fat.
The way you are doing some of these things the way you are, they
Need a little fixing because they're a bit ajar.
I know what's best for you and how you should be,
Cause I'm so perfect, just take a good look and you will see.
If you could change some more a little every day,
I'd never have to look at myself or grow to be responsible
for me in any significant way.
Isn't this fun!
I'm like a perfect parent, a friend and a lover...what a
neat Son of a Gun! Aren't you lucky!
I'll make you in my image of what's perfect and you'll be fine,
Cause I've learned just how you should be in order to be mine.
Your parents did the best they could and you tried hard too,
But, oh my dear, you've not to fear, cause, make you over I will,
that's why we said "I do".
Oops, down the road now many years have gone by, and you're still
full of fears, I wonder why?
Your friends say we are co-dependent and you've given your
powers away.
Why I never thought it was that way, oh do you mind doin' my work
today?
Guess I'll have to change them too, your friends,
my my my, there's always a lot of work to do!
[Every day and every way I am making you better and better....]
