

**An Odde to Life**

**I Am A Victim**

**&**

**So Am I**

**I know you will hurt me.**

**I know you'll abuse me & use me.**

**I realize I deserve it.**

**I've earned it by being me.**

**Just me.**

**Little ole me.**

**I try hard to fail.**

**But you never do.**

**You screw me over daily.**

**You big bad life, you do.**
